

5.1 Antibacterial drugs

Benzathine Benzylpenicillin LA Injection	Restricted to use in GU Medicine
Benzylpenicillin Injection	Formulary
Phenoxymethylpenicillin Solution	Formulary
Phenoxymethylpenicillin Tablets	Formulary
Procaine Benzylpenicillin G Injection	Restricted to use in GU Medicine
Flucloxacillin Syrup	Formulary
Flucloxacillin Injection	Formulary
Flucloxacillin Capsules	Formulary
Amoxicillin Sf Suspension	Formulary
Amoxicillin Injection	Formulary
Amoxicillin Capsules	Formulary
Amoxicillin Sf Sachet	Formulary
Co-Amoxiclav Injection	Formulary
Co-Amoxiclav Sf Suspension	Formulary
Co-Amoxiclav Tablets	Formulary
Co-Fluampicil Syrup	Formulary
Co-Fluampicil Capsules	Formulary
Co-Fluampicil Injection	Formulary
Piperacillin + Tazobactam Injection	Formulary
Pivmecillinam Tablets	Restricted to recommendation by Consultant Microbiologist
Aztreonam Injection	Restricted to recommendation by Consultant Microbiologist
Cefalexin Suspension	Restricted to recommendation by Consultant Microbiologist
Cefalexin Capsules	Restricted to recommendation by Consultant Microbiologist

Medicines Formulary – BNF Section 5 Infections

Cefotaxime Injection	Restricted to recommendation by Consultant Microbiologist
Ceftriaxone Injection	Restricted to recommendation by Consultant Microbiologist
Imipenem /Cilastin Infusion	Restricted to recommendation by Consultant Microbiologist
Cefalexin Sf Suspension	Restricted to recommendation by Consultant Microbiologist
Cefalexin Capsules	Restricted to recommendation by Consultant Microbiologist
Cefixime Tablets	Restricted to recommendation by Consultant Microbiologist
Cefotaxime Injection	Restricted to recommendation by Consultant Microbiologist
Ceftazidime Injection	Restricted to recommendation by Consultant Microbiologist
Cefuroxime Tablets	Restricted to recommendation by Consultant Microbiologist
Cefuroxime Injection	Restricted to recommendation by Consultant Microbiologist
Ertapenem Injection	Restricted to recommendation by Consultant Microbiologist
Meropenem Injection	Restricted to recommendation by Consultant Microbiologist
Aztreonam Injection	Restricted to recommendation by Consultant Microbiologist
Demeclocycline Capsules	Formulary
Doxycycline Capsules	Formulary
Doxycycline Dispersible Tablets	Formulary
Lymecycline Capsules	Restricted to the management of acne
Minocycline Capsules	Restricted to the management of acne – as second line option

Medicines Formulary – BNF Section 5

Infections

Minocycline M/R Capsules	Restricted to the management of acne – as second line option
Minocycline Tablets	Restricted to the management of acne – as second line option
Oxytetracycline Tablets	Formulary
Tigecycline Injection	Formulary
Amikacin Injection	Restricted to recommendation by Consultant Microbiologist
Fosfomycin Sachets	Formulary
Fosfomycin injection	Restricted – MMC Sept 2014
Gentamicin Injection	Formulary
Gentamicin Intrathecal Injection	Formulary
Neomycin Sulphate Elixir	Formulary
Neomycin Sulphate Tablets	Formulary
Tobramycin Injection R	
Tobramycin Nebuliser Solution	Formulary
Azithromycin Suspension	Restricted to recommendation by Consultant Microbiologist or GU Medicine
Azithromycin Capsules	Restricted to recommendation by Consultant Microbiologist or GU Medicine
Azithromycin Tablets	Restricted to recommendation by Consultant Microbiologist or GU Medicine
Clarithromycin Suspension	Formulary
Clarithromycin Tablets	Formulary
Clarithromycin 500mg Injection	Formulary
Daptomycin Injection	Restricted to recommendation by Consultant Microbiologist
Erythromycin Tablets	Formulary
Erythromycin Ethyl Succinate Sf Suspension	Formulary

Medicines Formulary – BNF Section 5

Infections

Erythromycin Lactobionate Injection	Formulary
Clindamycin Capsules	Formulary
Clindamycin Injection	Formulary
Clindamycin Suspension	Formulary
Fidaxamicin	Formulary – MMC March 2013
Rifaximin	Formulary – MMC March 2015
Chloramphenicol Injection	Formulary
Chloramphenicol Capsules	Formulary
Colistimethate Injection	Formulary
Colistimethate For Nebuliser Sol	Formulary
Fusidic Acid Suspension	Restricted to recommendation by Consultant Microbiologist
Linezolid Suspension	Restricted to recommendation by Consultant Microbiologist
Linezolid Tablets	Restricted to recommendation by Consultant Microbiologist
Linezolid Infusion	Restricted to recommendation by Consultant Microbiologist
Sodium Fusidate Tablets	Restricted to recommendation by Consultant Microbiologist
Sodium Fusidate Infusion	Restricted to recommendation by Consultant Microbiologist
Teicoplanin Injection	Restricted to recommendation by Consultant Microbiologist
Vancomycin Capsules	Restricted to recommendation by Consultant Microbiologist
Vancomycin Injection	Restricted to recommendation by Consultant Microbiologist
Co-Trimoxazole Sf Suspension	Restricted to prophylaxis/treatment of <i>Pneumocystis jiroecii</i> (PCP) and following haematological protocols

Medicines Formulary – BNF Section 5

Infections

Co-Trimoxazole Tablets	Restricted to prophylaxis/treatment of <i>Pneumocystis jiroecii</i> (PCP) and following haematological protocols
Co-Trimoxazole Injection	Restricted to prophylaxis/treatment of <i>Pneumocystis jiroecii</i> (PCP) and following haematological protocols
Trimethoprim Tablets	Formulary
Trimethoprim Suspension	Formulary
Ethambutol Tablets	Formulary
Ethambutol Suspension	Formulary
Isoniazid Tablets	Formulary
Isoniazid Injection	Formulary
Isoniazid Elixir	Formulary
Pyrazinamide Tablets	Formulary
Pyrazinamide Suspension	Formulary
Rifampicin Syrup	Formulary
Rifampicin Capsules	Formulary
Rifampicin Infusion	Formulary
Rifater Tablets	Formulary
Rifinah Tablets	Formulary
Streptomycin 1g Injection	Formulary
Dapsone Tablets	Restricted to Consultant Dermatologist recommendation, or PCP prophylaxis in patients allergic to co-trimoxazole
Metronidazole Suppositories	Formulary
Metronidazole Tablets	Formulary
Metronidazole Suspension	Formulary
Metronidazole Infusion	Formulary

Medicines Formulary – BNF Section 5

Infections

Ciprofloxacin Infusion	Restricted to treatment recommendations within antibiotic guidelines or following Consultant Microbiologist recommendations
Ciprofloxacin Tablets	Restricted to treatment recommendations within antibiotic guidelines or following Consultant Microbiologist recommendations
Ciprofloxacin Suspension	Restricted to treatment recommendations within antibiotic guidelines or following Consultant Microbiologist recommendations
Levofloxacin Tablets	Restricted to treatment recommendations within antibiotic guidelines or following Consultant Microbiologist recommendations
Levofloxacin Infusion	Restricted to treatment recommendations within antibiotic guidelines or following Consultant Microbiologist recommendations
Moxifloxacin	Restricted – MR-TB – MMC Sept 2013
Norfloxacin Tablets	Formulary
Nitrofurantoin Capsules	Formulary
Nitrofurantoin Tablets	Formulary
Nitrofurantoin Sf Suspension	Formulary

5.2 Antifungal drugs

Amphotericin Complex Injection	Formulary
Amphotericin Liposomal Injection	Formulary
Anidulafungin	Formulary – MMC Jan 2013
Caspofungin Injection	Formulary
Fluconazole Capsule	Formulary
Fluconazole Infusion	Formulary

Medicines Formulary – BNF Section 5

Infections

Fluconazole Suspension	Formulary
Flucytosine Infusion	Formulary
Flucytosine Tablets	Formulary
Griseofulvin Tablets	Formulary
Itraconazole Capsules	Formulary
Itraconazole Infusion	Formulary
Itraconazole Liquid	Formulary
Posaconazole Suspension	Formulary
Terbinafine Tablets	Formulary
Voriconazole Infusion	Formulary
Voriconazole Tablets	Formulary
Anidulafungin Injection	Formulary

5.3 Antiviral drugs

Efavirenz Capsules	Formulary
Nitazoxanide Tablets	Formulary
Ribavirin Tablets	Formulary
Abacavir Liquid	Formulary
Abacavir Tablets	Formulary
Abacavir + Lamivudine Tablets	Formulary
Atazanavir Capsules	Formulary
Atripla Tablets	Formulary
Combivir Tablets	Formulary
Darunavir Tablets	Formulary
Didanosine E/C Capsules	Formulary
Efavirenz Solution	Formulary
Efavirenz Capsules	Formulary

Medicines Formulary – BNF Section 5 Infections

Efavirenz Tablets	Formulary
Etravirine Tablets	Formulary
Kaletra Solution	Formulary
Kaletra Tablets	Formulary
Lamivudine Tablets	Formulary
Lamivudine Tablets	Formulary
Lamivudine Solution	Formulary
Maraviroc Tablets	Formulary
Nevirapine Tablets	Formulary
Nevirapine M/R Tablets	Formulary
Nevirapine Suspension	Formulary
Raltegravir Tablets	Formulary
Rilpivirine	Formulary – MMC Jan 2013
Ritonavir Tablets	Formulary
Ritonavir Sf Solution	Formulary
Saquinavir Tablets	Formulary
Stribild	Formulary – MMC Dec 2014
Telaprevir	Formulary – MMC Jan 2013
Tenofovir Tablets	Formulary
Trizivir Tablets	Formulary
Truvada Tablets	Formulary
Zidovudine Capsules	Formulary
Zidovudine Injection	Formulary
Zidovudine Sf Solution	Formulary
Aciclovir Dispersible Tablets	Formulary
Aciclovir Sf Suspension	Formulary

Medicines Formulary – BNF Section 5 Infections

Aciclovir Injection	Formulary
Famciclovir Tablets	Formulary
Valaciclovir Tablets	Formulary
Foscarnet Infusion	Formulary
Ganciclovir Injection	Formulary
Valganciclovir Tablets	Formulary
Valganciclovir Oral Solution	Formulary
Adefovir Dipivoxil Tablets	Formulary
Entecavir ablets	Formulary
Oseltamivir Suspension	Formulary
Oseltamivir Capsules	Formulary
Oseltamivir Suspension	Formulary
Zanamivir Disks	Formulary
Palivizumab Injection	Formulary

5.4 Antiprotozoal drugs

Chloroquine Phosphate Tablets	Formulary
Primaquine . Tablets	Formulary
Pyrimethamine Tablets	Formulary
Quinine Dihydrochloride Injection	Formulary
Quinine Sulphate Tablets	Formulary
Diloxanide Tablets	Formulary
Mepacrine Tablets	Formulary
Paromomycin Sulphate Capsules	Formulary
Atovaquone Suspension	Formulary
Pentamidine Injection	Formulary

5.5 Anthelmintics

Mebendazole Tablets	Formulary
Pripsen Sachets	Formulary
Levamisole Tablets	Formulary
