Note on Constituencies

Population data and indices of deprivation have been used to formulate the eight constituencies. Constituencies are as close as possible to one eighth of the population of Calderdale and Kirklees, though attempts to reflect Local Authority boundaries and areas of similar deprivation levels mean there is some variation. Constituencies 4 and 6 are noticeably larger because persons in these constituencies mostly use services provided by other NHS Trusts. Each Constituency comprises of several electoral areas for local government elections.

34.2 The returning officer may open any covering envelope for the purposes of rules 35 and 36, but must make arrangements to ensure that no person obtains or communicates information as to:

(b) the unique identifier on a ballot paper.

34.3 The returning officer must make arrangements to ensure the safety and security of the ballot papers.

35. Validity of votes

36.1 Where a combination of the methods of polling are being used, the returning officer shall examine all votes cast to ascertain if a voter ID number has been used more than once to cast a vote in an election.

36.2 If the returning officer ascertains that a voter ID number has been used more than once to cast a vote in an election they shall:

- (a) only accept as duly returned the first vote received that contained the duplicated voter ID number

Part 6 Counting the votes

Note: the following rules describe how the votes are to be counted manually but it is expected that appropriately audited vote counting software will be used to count votes where a combination of methods of polling is being used and votes are contained as electronic e-voting records and ballot papers.

STV38. Interpretation of Part 6

STV38.1 In Part 6 of these rules:

“ballot” means a ballot paper, internet voting record, telephone voting record or text voting record.
“continuing candidate” means any candidate not deemed to be elected, and not excluded,
“count” means all the operations involved in counting of the first preferences recorded for candidates, the transfer of the surpluses of elected candidates, and the transfer of the votes of the excluded candidates,

“deemed to be elected” means deemed to be elected for the purposes of counting of votes but without prejudice to the declaration of the result of the poll,

“mark” means a figure, an identifiable written word, or a mark such as “X”,

“non-transferable vote” means a ballot:

(a) on which no second or subsequent preference is recorded for a continuing candidate,
or

(b) which is excluded by the returning officer under rule STV46,

“preference” as used in the following contexts has the meaning assigned below:

(a) “first preference” means the figure “1” or any mark or word which clearly indicates a first (or only) preference,

(b) “next available preference” means a preference which is the second, or as the case may be, subsequent preference recorded in consecutive order for a continuing candidate (any candidate who is deemed to be elected or is excluded thereby being ignored); and

(c) in this context, a “second preference” is shown by the figure “2” or any mark or word which clearly indicates a second preference, and a third preference by the figure “3” or any mark or word which clearly indicates a third preference, and so on,

“quota” means the number calculated in accordance with rule STV43,

“surplus” means the number of votes by which the total number of votes for any candidate (whether first preference or transferred votes, or a combination of both) exceeds the quota; but references in these rules to the transfer of the surplus means the transfer (at a transfer value) of all transferable ballots from the candidate who has the surplus,

“stage of the count” means:

(a) the determination of the first preference vote of each candidate,

(b) the transfer of a surplus of a candidate deemed to be elected, or

(c) the exclusion of one or more candidates at any given time,

“transferable vote” means a ballot on which, following a first preference, a second or subsequent preference is recorded in consecutive numerical order for a continuing candidate,

“transferred vote” means a vote derived from a ballot on which a second or subsequent preference is recorded for the candidate to whom that ballot has been transferred, and

“transfer value” means the value of a transferred vote calculated in accordance with rules STV44.4 or STV44.7.

39. Arrangements for counting of the votes

39.1 The returning officer is to make arrangements for counting the votes as soon as is practicable after the close of the poll.

40. The count

40.1 The returning officer is to:

(a) count and record the number of votes that have been returned, and

(b) count the votes according to the provisions in this Part of the rules.

40.2 The returning officer, while counting and recording the number of votes and counting the votes, must make arrangements to ensure that no person obtains or communicates information as to the unique identifier on a ballot paper or a voter’s voter ID number.

40.3 The returning officer is to proceed continuously with counting the votes as far as is practicable.

STV41. Rejected ballot papers

STV41.1 Any ballot paper:

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
- (b) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,
- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the ballot paper shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

STV41.2 The returning officer is to endorse the word “rejected” on any ballot paper which under this rule is not to be counted.

STV41.3 The returning officer is to draw up a statement showing the number of ballot papers rejected by him or her under each of the subparagraphs (a) to (d) of rule STV41.1

FPP41. Rejected ballot papers

FPP41.1 Any ballot paper:

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
 - (b) on which votes are given for more candidates than the voter is entitled to vote,
 - (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
 - (d) which is unmarked or rejected because of uncertainty,
- shall, subject to rules FPP41.2 and FPP41.3, be rejected and not counted.

FPP41.2 Where the voter is entitled to vote for more than one candidate, a ballot paper is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

FPP41.3 A ballot paper on which a vote is marked:

- (a) elsewhere than in the proper place,
- (b) otherwise than by means of a clear mark,
- (c) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the paper is marked does not itself identify the voter and it is not shown that he or she can be identified by it.

FPP41.4 The returning officer is to:

- (a) endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and
- (b) in the case of a ballot paper on which any vote is counted under rules FPP41.2 and FPP 41.3, endorse the words “rejected in part” on the ballot paper and indicate which vote or votes have been counted.

FPP41.5 The returning officer is to draw up a statement showing the number of rejected ballot papers under the following headings:

- (a) does not bear proper features that have been incorporated into the ballot paper,
 - (b) voting for more candidates than the voter is entitled to,
 - (c) writing or mark by which voter could be identified, and
 - (d) unmarked or rejected because of uncertainty,
- and, where applicable, each heading must record the number of ballot papers rejected in part.

STV42. First stage

STV42.1 The returning officer is to sort the ballots into parcels according to the candidates for whom the first preference votes are given.

STV42.2 The returning officer is to then count the number of first preference votes given on ballots for each candidate, and is to record those numbers.

STV42.3 The returning officer is to also ascertain and record the number of valid ballots.

STV43. The quota

STV43.1 The returning officer is to divide the number of valid ballots by a number exceeding by one the number of members to be elected.

STV43.2 The result, increased by one, of the division under rule STV43.1 (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as “the quota”).

STV43.3 At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in rules STV44.1 to STV44.3 has been complied with.

STV44. Transfer of votes

STV44.1 Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballots on which first preference votes are given for that candidate into sub- parcels so that they are grouped:

- (a) according to next available preference given on those ballots for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

STV44.2 The returning officer is to count the number of ballots in each parcel referred to in rule

STV44.3 The returning officer is, in accordance with this rule and rule STV45, to transfer each sub-parcel of ballots referred to in rule STV44.1(a) to the candidate for whom the next available preference is given on those papers.

STV44.4 The vote on each ballot transferred under rule STV44.3 shall be at a value (“the transfer value”) which:

- (a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and
- (b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballots on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).

STV44.5 Where at the end of any stage of the count involving the transfer of ballots, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballots in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped:

- (a) according to the next available preference given on those ballots for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

STV44.6 The returning officer is, in accordance with this rule and rule STV45, to transfer each sub-parcel of ballots referred to in rule STV44.5(a) to the candidate for whom the next available preference is given on those ballots.

STV44.7 The vote on each ballot transferred under rule STV44.6 shall be at:

- (a) a transfer value calculated as set out in rule STV44.4(b), or

(b) at the value at which that vote was received by the candidate from whom it is now being transferred, whichever is the less.

STV44.8 Each transfer of a surplus constitutes a stage in the count.

STV44.9 Subject to rule STV44.10, the returning officer shall proceed to transfer transferable ballots until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.

STV44.10 Transferable ballots shall not be liable to be transferred where any surplus or surpluses which, at a particular stage of the count, have not already been transferred, are:

- (a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote, or
- (b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.

STV44.11 This rule does not apply at an election where there is only one vacancy.

STV45. Supplementary provisions on transfer

STV45.1 If, at any stage of the count, two or more candidates have surpluses, the transferable ballots of the candidate with the highest surplus shall be transferred first, and if:

- (a) The surpluses determined in respect of two or more candidates are equal, the transferable ballots of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and
- (b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable ballots of the candidate on whom the lot falls shall be transferred first.

STV45.2 The returning officer shall, on each transfer of transferable ballots under rule STV44:

- (a) record the total value of the votes transferred to each candidate,
- (b) add that value to the previous total of votes recorded for each candidate and record the new total,
- (c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and
- (d) compare:
 - (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.

STV45.3 All ballots transferred under rule STV44 or STV45 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that ballot or, as the case may be, all the ballots in that sub-parcel.

STV45.4 Where a ballot is so marked that it is unclear to the returning officer at any stage of the count under rule STV44 or STV45 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot as a non-transferable vote; and votes on a ballot shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

STV46. Exclusion of candidates

STV46.1 If:

- (a) all transferable ballots which under the provisions of rule STV44 (including that rule as applied by rule STV46.11 and this rule are required to be transferred, have been transferred, and

(b) subject to rule STV47, one or more vacancies remain to be filled, the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where rule STV46.12 applies, the candidates with the then lowest votes).

STV46.2 The returning officer shall sort all the ballots on which first preference votes are given for the candidate or candidates excluded under rule STV46.1 into two sub-parcels so that they are grouped as:

- (a) ballots on which a next available preference is given, and
- (b) ballots on which no such preference is given (thereby including ballots on which preferences are given only for candidates who are deemed to be elected or are excluded).

STV46.3 The returning officer shall, in accordance with this rule and rule STV45, transfer each sub-paragraph of ballots referred to in rule STV46.2 to the candidate for whom the next available preference is given on those ballots.

STV46.4 The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.

STV46.5 If, subject to rule STV47, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable ballots, if any, which had been transferred to any candidate excluded under rule STV46.1 into sub-paragraphs according to their transfer value.

STV46.6 The returning officer shall transfer those ballots in the sub-paragraph of transferable ballots with the highest transfer value to the continuing candidates in accordance with the next available preferences given on those ballots (thereby passing over candidates who are deemed to be elected or are excluded).

STV46.7 The vote on each transferable ballot transferred under rule STV46.6 shall be at the value at which that vote was received by the candidate excluded under rule STV46.1.

STV46.8 Any ballots on which no next available preferences have been expressed shall be set aside as non-transferable votes.

STV46.9 After the returning officer has completed the transfer of the ballots in the sub-paragraph of ballots with the highest transfer value he or she shall proceed to transfer in the same way the sub-paragraph of ballots with the next highest value and so on until he has dealt with each sub-paragraph of a candidate excluded under rule STV46.1.

STV46.10 The returning officer shall after each stage of the count completed under this rule:

(a) record:

- (i) the total value of votes, or
- (ii) the total transfer value of votes transferred to each candidate,

(b) add that total to the previous total of votes recorded for each candidate and record the new total,

(c) record the value of non-transferable votes and add that value to the previous non-transferable votes total, and

(d) compare:

- (i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with
- (ii) the recorded total of valid first preference votes.

STV46.11 If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with rules STV44.5 to STV44.10 and rule STV45.

STV46.12 Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.

STV46.13 If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest:

- (a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded, and
- (b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

STV47. Filling of last vacancies

STV47.1 Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.

STV47.2 Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.

STV47.3 Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.

STV48. Order of election of candidates

STV48.1 The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the order in which their respective surpluses were transferred, or would have been transferred but for rule STV44.10.

STV48.2 A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which he obtained the quota.

STV48.3 Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.

STV48.4 Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.

FPP48. Equality of votes

FPP48.1 Where, after the counting of votes is completed, an equality of votes is found to exist between any candidates and the addition of a vote would entitle any of those candidates to be declared elected, the returning officer is to decide between those candidates by a lot, and proceed as if the candidate on whom the lot falls had received an additional vote.

Part 7 Final proceedings in contested and uncontested elections

FPP49. Declaration of result for contested elections

FPP49.1 In a contested election, when the result of the poll has been ascertained, the returning officer is to:

- *“That representatives of the press and other members of the public be excluded from the remainder of this meeting having regard to the confidential nature of the business to be transacted, publicity on which would be prejudicial to the public interest in accordance with 12.24 of the Constitution.”*

- 1.2. The Chairman (or Vice-Chairman) shall give such directions as he/she thinks fit in regard to the arrangements for meetings and accommodation of the public and representatives of the press such as to ensure that the Council of Governors’ business shall be conducted without interruption and disruption and, without prejudice to the power to exclude on the grounds of the confidential nature of the business to be transacted, the Council of Governors may resolve as follows:

“That in the interests of public order the meeting adjourn for (the period to be specified) to enable the Council of Governors to complete business without the presence of the public in accordance with 12.24 of the Trust’s Constitution.”

- 1.3. Nothing in these Standing Orders shall require the Council of Governors to allow members of the public or representatives of the press to record proceedings in any manner whatsoever, other than in writing, or to make any oral report of proceedings as they take place without prior agreement of the Council of Governors.

- 2.3. Meetings of the Council of Governors may be called by the Secretary, by the Chairman, by the Board of Directors or by eight Governors (including two appointed Governors) who give written notice to the Secretary specifying the business to be carried out. - 2.6. - 2.10. The agendas will include all supporting papers available at the time of posting. Further supporting papers will be received no later than **three (3)** working days before the meeting.
- 2.11. Lack of service of the notice on any one person above shall not affect the validity of the meeting, but failure to serve such a notice on more than six Governors will invalidate the meeting. A notice shall be presumed to have been served at the time at which the notice would be delivered in the ordinary course of the post.

3. **Quorum**

- 3.1. Ten Council of Governors members present in person or by proxy under arrangements approved by the Council of Governors shall form a quorum

4. **Setting the agenda**

6.1. A Governor desiring to move or amend a motion shall send a written notice thereof at least **ten working** days before the meeting to the Chairman, who shall insert in the agenda for the meeting all notices so received subject to the notice being permissible under the appropriate regulations. This paragraph shall not prevent any motion being moved during the meeting, without notice on any business mentioned on the agenda subject to preceding provisions.

7. Withdrawal of motion or amendments

7.1. A motion or amendment once moved and seconded may be withdrawn by the proposer with the concurrence of the seconder and the consent of the Chairman.

11. Voting

11.1. Questions arising at a meeting of the Council of Governors requiring a formal decision shall be decided by a majority of votes. In case of an equality of votes the Chairman shall

decide the outcome. No resolution of the Council of Governors shall be passed if it is unanimously opposed by all of the Public Governors.

- 11.2. All questions put to the vote shall, at the discretion of the Chairman, be determined by oral expression or by a show of hands. A paper ballot may also be used if a majority of the Governors present so request, or the Secretary deems it advisable or necessary.
- 11.3. If at least one third of the Governors present so request, the voting (other than by paper ballot) on any question may be recorded to show how each Governor present voted or abstained.
- 11.4. If a Governor so requests his vote shall be recorded by name upon any vote (other than by paper ballot).

- 13.5. Committees may not delegate their powers to a sub-committee unless expressly authorised by the Council of Governors.
- 13.6. The Council of Governors shall approve the appointments to each of the committees which it has formally constituted. Where the Council of Governors determines that persons who are neither Governors, nor directors or officers, shall be appointed to a committee, the terms of such an appointment shall be determined by the Council of Governors subject to the payment of travelling and other allowances being in accordance with such sum as may be determined by the Board of Directors or NHS Improvement (in line with SO 20).
- 13.7. Where the Council of Governors is required to appoint persons to a committee or to undertake statutory functions as required by NHS Improvement, and where such appointments are to operate independently of the Council of Governors or the Board of Directors, such appointment shall be made in accordance with the any regulations laid down by the Chief Executive or his nominated officer or any directions or guidance issued by NHS Improvement from time to time.

15. Appointment of the Chairman, Vice-Chairman and Non-Executive directors

- 15.1. The Council of Governors shall appoint a Chairman of the Trust. The Board of Directors will appoint one Non-Executive Director to be Vice-Chairman of the Trust. This individual may, through agreement with the Chair, also take on the role of SINED (Senior Independent Non-Executive Director). The Council of Governors shall ratify the appointment of the Vice Chairman at a general meeting.
- 15.2. Non-Executive Directors are to be appointed by a sub-committee (not exceeding four persons) of the Council of Governors using the procedures set out under paragraph 13 of the constitution.

SECTION C: REGISTER AND DISCLOSURE OF INTERESTS

16. Register and disclosure of interests

- 16.1. If Governors have any doubt about the relevance or materiality of an interest, this should be discussed with the Chairman or the Secretary.
- 16.2. Any Governor who has a material interest in a matter as defined below and in the constitution shall declare such an interest to the Council of Governors and it shall be recorded in a register of interests and the Governor in question:
 - a) Shall not be present except with the permission of the Council of Governors in any discussion of the matter, and
 - b) Shall not vote on the issue (and if by inadvertence they do remain and vote, their vote shall not be counted).
- 16.3. Any Governor who fails to disclose any interest required to be disclosed under the preceding paragraph must permanently vacate their office if required to do so by a majority of the remaining Governors.
- 16.4. At the time the interests are declared, they should be recorded in the minutes of the Council of Governors. Any changes in interests should be officially declared at the next meeting as appropriate following the change occurring.
- 16.5. It is the obligation of a Governor to inform the Secretary in writing within seven days of becoming aware of the existence of a relevant or material interest. The Secretary will amend the register upon receipt within three working days.
- 16.6. The details of Governors' interests recorded in the register will be kept up to date by the Secretary, and reviewed at each meeting of the Council of Governors.
- 16.7. Subject to the requirements of the Public Benefit Corporation (Register of Members) Regulations 2006 and the Data Protection Act 1998, the register will be available for inspection by the public free of charge and will be published on the Trust's website.
- 16.8. Copies or extracts of the register must be provided to members of the Trust free of charge and within a reasonable time period of the request. A reasonable charge may be imposed on non-members for copies or extracts of the register.
- 16.9. A material interest in a matter is any interest (save for the exceptions referred to below) held by a Governor, or their spouse or partner, in any firm or business which, in connection with the matter, is trading with the trust, or is likely to be considered as a potential trading partner with the trust. 18.3. If it comes to the notice of the Secretary that a person elected or appointed to be a Governor may be disqualified, under SO 17.1 above, from holding that office and the Secretary has not received a notice, under paragraph 59, from that person, the Secretary will make such inquiries as he/she thinks fit and, if satisfied that the person may be so disqualified, the Secretary will advise the Chairman so that the Chairman can make a recommendation for disqualification to the Council of Governors. The recommendation will either be made to a general meeting or to a meeting called specifically for the purpose.

FOREWORD

Within the terms of authorization issued by Monitor, the former Independent Regulator, NHS Foundation Trusts are required to demonstrate appropriate arrangements to provide comprehensive governance arrangements in accordance with the need to agree Standing Orders (SOs) and schedules of Reservations of Powers to the Trust and Scheme of Delegation in accordance with their constitutions, their Terms of Authorisation and the requirements of the National Health Service Act 2006 (“the 2006 Act”).

This Standing Orders document, together with Standing Financial Instructions and the Reservation of Powers to the Board (Scheme of Delegation), provide a regulatory framework for the business conduct of the Trust. They fulfil the dual role of protecting the Trust’s interests and protecting staff from any possible accusation that they have acted less than properly.

These documents provide a comprehensive business framework. All Directors and all members of staff should be aware of the existence of these documents and, where necessary, be familiar with the detailed provisions.

INTERPRETATION

These Standing Orders are subject to continuous review (and formally reviewed and approved by the Audit and Risk Committee and Board of Directors every 2 years) to ensure that they reflect the obligations to which the Foundation Trust is subject under the Health and Social Care (Community Health and Standards) Act 2003, the Terms of Authorisation and the provisions of its Constitution.

For the avoidance of doubt nothing contained within these standing orders shall be construed in contravention of the Terms of Authorisation and in the event that there is such a contravention, the Terms of Authorisation, the 2006 Act and the Constitution shall take precedence.

Whilst the nature of these Standing Orders is that they are subject to variation, no such variation shall contravene the Terms of Authorisation, the 2006 Act and the Constitution.

INTRODUCTION

Statutory Framework

Calderdale & Huddersfield NHS Foundation Trust (the Trust) is a public benefit corporation which was established under the National Health Service Act 2006 (“the 2006 Act”).

The principal place of business of the Trust is:

Trust Offices, Huddersfield Royal Infirmary, Acre Street, Lindley, Huddersfield, HD3 3EA

The statutory functions conferred on the Trust are set out in the 2006 Act. The Trust also has a constitution (“the Constitution”) as required under the 2006 Act, which includes further provisions consistent with Schedule 7 in support of the governance arrangements within the Trust.

It should be noted that the Trust also has in place Standing Orders (SOs) which deal with the Council of Governors which may need to be referred to.

The purpose of the Trust (as required by the 2006 Act) is to serve the community by the provision of goods and services for purposes related to the provision of health care in accordance with its statutory duties and the Terms of the Independent Regulator’s Authorisation (the “Terms of Authorisation”). The Trust is to have all the powers of an NHS Foundation Trust as set out in the 2006 Act, subject to the Terms of Authorisation.

As a statutory body, the Trust has specified powers to contract in its own name.

The Trust also has powers under section 28A of the NHS Act 1977 as amended by the 2006 Act to fund projects jointly planned with local authorities, voluntary organisations and other bodies.

Regulatory Framework

Under its regulatory framework the Trust must adopt Standing Orders for the regulation of its proceedings and business. The Trust must also adopt Standing Financial Instructions as an integral part of Standing Orders setting out the responsibilities of individuals.

The Trust’s Constitution also requires that the Board of Directors draw up a schedule of decisions reserved to that Board and a scheme of delegation to enable responsibility to be clearly delegated to committees of the board and individual directors.

The Constitution also requires the establishment of an Audit Committee and a Remuneration Committee with formally agreed terms of reference. The Constitution requires a register of possible conflicts of interest of members of both the Board of Directors and the Council of Governors and how those possible conflicts are addressed.

In addition to the statutory requirements the Independent Regulator (the office formerly known as Monitor and now known as NHS Improvement) will issue further requirements and guidance. Many of these are contained within the 2006 Act and on NHS Improvement’s website . Information is accessible locally via the Board Secretary.

Arrangements for public access to information are set out in the Code of Practice on Openness in the NHS and in the Trust’s publication scheme under the Freedom of Information Act 2000.

Delegation of Powers

(a) The Trust has powers to delegate and make arrangements for delegation. Under the Standing Orders relating to the Arrangements for the Exercise of Functions (SO 4) the Board is given powers to make arrangements for the discharge, on behalf of the Trust, of any of its functions by an internal committee or sub-committee appointed by virtue of SO 5 or by an officer of the Trust, in each case subject to such restrictions and conditions as the Board thinks fit or as the Independent Regulator may direct. Delegated Powers are covered in a separate document (Scheme of Delegation)

and financial delegation in the Standing Financial Instructions. These documents have effect as if incorporated into the Standing Orders.

Integrated Governance

Trust Boards are now encouraged to move away from silo governance and develop integrated governance that will lead to good governance and ensure that decision-making is informed by intelligent information covering the full range of corporate, financial, clinical, information and research governance. The Trust Board uses its committee structures to support it in implementing a model of integrated governance.

Collaboration of services across West Yorkshire and Harrogate District

Moving to support the implementation of the Sustainable Transformation Plans (STPs), acute providers are required by NHS Improvement to plan, commission and deliver efficient and sustainable healthcare services for patients across a footprint for the population of West Yorkshire and Harrogate District.

- Bradford Teaching Hospitals NHS Foundation Trust
- Calderdale and Huddersfield NHS Foundation Trust

If at least one-third of the directors present so request, the voting (other than by paper ballot) on any question may be recorded to show how each director present voted or abstained.

If a director so requests, his/her vote shall be recorded by name upon any vote (other than by paper ballot).

In no circumstances may an absent director vote by proxy. Absence is defined as being absent at the time of the vote.

An officer who has been appointed formally by the Board to act up for an executive director during a period of incapacity or temporarily to fill an executive director vacancy, shall be entitled to exercise the voting rights of the executive director. An officer attending the Board of Directors to represent an executive director during a period of incapacity or temporary absence without formal acting up status may not exercise the voting rights of the executive director. An officer's status when attending a meeting shall be recorded in the minutes.

No discussion shall take place upon the minutes except upon their accuracy or where the Chair considers discussion appropriate. Any amendment to the minutes shall be agreed and recorded at the next meeting.

Minutes shall be circulated in accordance with directors' wishes. Where providing a record of a public meeting the minutes shall be made available to the public via the Trust website (required by Code of Practice on Openness in the NHS). A record of items discussed in private will be maintained and approved by the Board of Directors.

2.20 Record of Attendance

The names of the Chair and directors present at the meeting shall be recorded in the minutes. The Secretary shall maintain a record of the number of meetings of the Board of Directors and the attendance of individual directors. Any officer in attendance for an executive director but without formal acting up status may not count towards the quorum.

If the Chair or a director has been disqualified from participating in the discussion on any matter and/or from voting on any resolution by reason of the declaration of a conflict of interest (see SOs 6 and 7) he/she shall no longer count towards the quorum. If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business. The above requirement for at least two Executive Directors to form part of the quorum shall not apply where the Executive Directors are excluded from a meeting.

3. ARRANGEMENTS FOR THE EXERCISE OF FUNCTIONS BY DELEGATION

Subject to a provision in the authorization or the Constitution, the Board of Directors may make arrangements for the exercise, on behalf of the Trust, of any of its functions by a committee or sub-committee, appointed by virtue of SO 4.2 below, or by a director or an officer of the Trust in each case subject to such restrictions and conditions as the Board of Directors thinks fit.

3.1 Urgent Decisions

The powers which the Board of Directors has retained to itself within these Standing Orders (SO 2.5) may in emergency be exercised by the Chief Executive and the Chair after having consulted at least two non-executive directors. The exercise of such powers by the Chief Executive and the Chair shall be reported to the next formal meeting of the Board of Directors for ratification.

3.2 Delegation to Committees

The Board of Directors shall agree from time to time to the delegation of executive powers to be exercised by internal committees or sub-committees, which it has formally constituted. The constitution and terms of reference of these committees, or sub-committees, and their specific executive powers shall be approved by the Board of Directors.

3.3 Delegation to Officers

Those functions of the Trust which have not been retained as reserved by the Board of Directors or delegated to an executive committee or sub-committee shall be exercised on behalf of the Board of Directors by the Chief Executive. The Chief Executive shall determine which functions he/she will perform personally and shall nominate officers to undertake the remaining functions for which he/she will still retain accountability to the Board of Directors.

The Chief Executive shall prepare a Scheme of Delegation identifying his/her proposals which shall be considered and approved by the Board of Directors, subject to any amendment agreed during the discussion. The Chief Executive may periodically propose amendment to the Scheme of Delegation which shall be considered and approved by the Board of Directors as indicated above.

Nothing in the Scheme of Delegation shall impair the discharge of the direct accountability to the Board of Directors of the Director of Finance or other executive director to provide information and advice to the Board of Directors in accordance with any statutory requirements and the Terms of Authorisation.

The arrangements made by the Board of Directors as set out in the “Scheme of Delegation” shall have effect as if incorporated in these Standing Orders.

3.4 Overriding Standing Orders

If for any reason these Standing Orders are not complied with, full details of the non-compliance and any justification for non-compliance and the circumstances around non-compliance shall be reported to the next formal meeting of the Board of Directors for action or ratification. All members of the Board of Directors, Council of Governors and staff have a duty to disclose any non-compliance with these Standing Orders to the Chief Executive as soon as possible.

4. COMMITTEES

4.1 Appointment of Committees

Subject to the authorisation and the Constitution, the Board of Directors may appoint internal committees of the Trust consisting wholly or partly of the Chair and director of the Trust or wholly of persons who are not directors of the Trust.

Joint Committees

The Trust may appoint a joint committee by joining together with one or more other health or social care organisations consisting wholly or partly of the Chairman and members of the Trust Board or other health service bodies or wholly of persons who are not members of the Trust or other health bodies in question.

Any committee or joint committee appointed under this SO may, subject to such directions as may be given by NHS Improvement or the Board of Directors or other health bodies in question, appoint sub-committees consisting wholly or partly of members of the committee (whether or not they include directors of the Trust) or wholly of persons who are not members of the Trust committee (whether or not they include directors of the Trust).

Applicability of Standing Orders and Standing Financial Instructions to Committees

The Standing Orders of the Trust, as far as they are applicable, shall apply with appropriate alteration to meetings of any internal committees or sub-committee established by the Trust. In which case the term 'Chairman' is to be read as a reference to the Chairman of the internal Committee as the context permits, and the term "director" is to be read as a reference to a member of the internal committee also as the context permits. There is no requirement to hold meetings of internal committees established by the Trust in public.

Terms of Reference

Each such internal committee or sub-committee shall have such terms of reference and powers and be subject to such conditions (as to reporting back to the Board of Directors), as the Board of Directors shall decide. Such terms of reference shall have effect as if incorporated into the Standing Orders.

Delegation of powers by internal Committees to Sub-Committees

Committees may not delegate their executive powers to a sub-committee unless expressly authorised by the Board of Directors.

Approval of Appointments to Internal Committees

The Board of Directors shall approve the appointments to each of the internal committees which it has formally constituted. Where the Board of Directors determines that persons, who are neither directors nor officers, shall be appointed to an internal committee, the terms of such appointment shall be determined by the Board of Directors. The Board of Directors shall define the powers of such appointees and shall agree the terms of their remuneration and/or reimbursement for loss of earnings and/or expenses subject to approval by the Council of Governors.

Appointments for statutory functions

Where the Trust is required to appoint persons to an internal committee and/or to undertake statutory functions as required by NHS Improvement, and where such appointments are to operate independently of the Trust such appointment shall be made in accordance with the regulations laid down by Monitor.

Appointment to the WYAAT Committee in Common

Membership of the Committee in Common will be defined in the Terms of Reference, which will be agreed or amended by all Parties. The Board of Calderdale and Huddersfield NHS

Foundation Trust has not agreed to delegate any of its statutory functions to the Committee in Common. The scope of the Committee in Common will be responsible for leading the development of the WYAAT Collaborative Programme and the work streams in accordance with the defined key principles, setting overall strategic direction in order to deliver the WYAAT Collaborative Programme.

Committees established by the Board

The Internal Committees and sub-committees established by the Trust are:

- Audit and Risk Committee
- Finance and Performance Committee
- Remuneration and Terms of Service Committee
- Charitable Funds Committee
- Quality Committee
- Workforce Well Led Committee

The external committee established by the Trust is:

- West Yorkshire Association of Acute Trusts Committee in Common

Such other committees may be established as required to discharge the Board's responsibilities.

4.2 Confidentiality

A member of a committee shall not disclose a matter dealt with by, or brought before, the committee without its permission until the committee shall have reported to the Board of Directors or shall otherwise have concluded on that matter.

A Director of the Trust or a member of a committee shall not disclose any matter reported to the Board of Directors or otherwise dealt with by the committee, notwithstanding that the matter has been reported or action has been concluded, if the Board of Directors or committee shall resolve that it is confidential.

5. DECLARATIONS OF INTERESTS AND REGISTER OF INTERESTS

Schedule 7 of the 2006 Act and Section 13.20 of the Constitution requires all Board directors (including Non-Executive Directors) and any other officers nominated by the Trust to declare interests which are relevant and material to the Board of Directors of which they are a member (including the WYAAT Committee in Common). A register of these interests must be kept by the Trust.

5.1 Declaration of Interests

All existing Directors should declare such interests. Any board directors/officers appointed subsequently should do so on appointment.

Interests may be financial or non-financial (i.e. political or belief-based). Interests which should be regarded as relevant and material and which, for the avoidance of doubt should be included in the register are:

- Any directorship of a company;
- Any interest (excluding holding of shares in a company whose shares are listed on any public exchange where the holding does not exceed 2% of the total issued share capital or the value of such shareholding does not exceed £25,000) or position in any firm of company or business, which in connection with the matter, is trading with the Trust or is likely to be considered as a potential trading partner with the Trust including private healthcare organisations and other foundation trusts;
- Any interest in an organization providing health and social care services to the NHS;
- Position of authority in a charity or voluntary organization in the field of health or social care;
- Any affiliation to a special interest group campaigning on health or social care issues.

To the extent not covered above, any connection with an organization, entity or company considering entering in to or having entered in to financial arrangement with the NHS Foundation Trust, including but not limited to lenders or banks.

WYAAT Committee in Common – the Chair and Chief Executive of Calderdale and Huddersfield NHS Foundation Trust will adhere to declaring interests as described within the Conflict of Interests section 10 of the Memorandum of Understanding.

Reference should also be made to the Monitor *NHS Foundation Trust Code of Governance* and the Trust's Constitution and Declaration of Interests Policy in determining whether other circumstances or relationship are likely to affect, or could appear to affect the director's judgement.

Any director who fails to disclose any interest required to be disclosed under the preceding paragraph must permanently vacate their office if required to do so by a majority of the remaining directors.

At the time board directors' interests are declared, they should be recorded in the board minutes. Any changes in interests should be declared at the next board meeting following the change occurring.

Board directors' directorships of companies likely or possibly seeking to do business with the NHS should be published in the board's annual report. The information should be kept up to date for inclusion in succeeding annual reports.

During the course of a meeting of the Board of Directors, if a conflict of interest is established the director concerned should withdraw from the meeting and play no part in the relevant discussion or decision. For the avoidance of doubt this includes voting on such an

issue where a conflict is established. If there is a dispute as to where a conflict does exist a majority vote will resolve the issue with the Chair having the casting vote. If by inadvertence they do remain and vote, their vote shall not be counted.

There is no requirement in the Code of Accountability for the interest of directors' spouses or partners to be declared. However, in accordance with the Nolan Principles of integrity, accountability and openness, good practice suggests that such declarations are strongly advisable (as are declaring the interests of other immediate family members and co-business partners). SO 6, which is based on these regulations requires that the interests of spouses or partners (if living together) in contracts should be declared. Therefore the interests of spouses or cohabiting partners should also be regarded as relevant.

If Board directors/officers have any doubt about the relevance of an interest, this should be discussed with the Chair or Trust Secretary. Financial reporting standard 8 (issued by the Accounting Standards Board) specifies that influence rather than the immediacy of the relationship is more important in assessing the relevance of an interest. The interests of partner in professional partnerships including general medical practitioners should also be considered.

5.2 Register of Interests

The Chief Executive will ensure that a Register of Interests is established to record formally declarations of interests of Board directors and officers. In particular the Register will include details of all directorships and other relevant and material interests which have been declared by both board directors and officers, as defined in SO 5.1. The Register shall also contain the names of all members of the Board of Directors including those who have no interests.

These details will be kept up to date by means of an annual review of the Register in which any changes to interests declared during the preceding twelve months will be incorporated.

The Register will be available to the public and the Secretary will take reasonable steps to bring the existence of the Register to the attention of the local population and to publicise arrangements for viewing it.

6. EXCLUSION OF THE CHAIR AND DIRECTORS IN PROCEEDINGS ON ACCOUNT OF PECUNIARY INTEREST

Subject to the following provisions of this Standing Order, if the Chair or a director of the Trust has any pecuniary interest, direct or indirect, in any contract, proposed contract or other matter and is present at a meeting of the Trust at which the contract or other matter is the subject of consideration, he/she shall at the meeting and as soon as practicable after its commencement disclose the fact and should withdraw so as not to take part in the consideration or discussion of the contract or other matter or vote on any question with respect to it.

NHS Improvement may, subject to such conditions as he/she may think fit to impose, remove any disability imposed by this Standing Order in any case in which it appears to him/her in the interests of the National Health Service that the disability shall be removed.

The Board of Directors may exclude the Chair or a director from a meeting of the Trust while any contract, proposed contract or other matter in which he/she has a pecuniary interest, is under consideration.

Any remuneration, compensation or allowances payable to the Chair or director by virtue of the 2006 Act shall not be treated as a pecuniary interest for the purpose of this Standing Order.

For the purpose of this Standing Order the Chair or a director shall be treated, subject to SO 6, as having indirectly a pecuniary interest in a contract, proposed contract or other matter, if:

- (a) he/she, or a nominee of his/hers, is a director of a company or other body, not being a public body, with which the contract was made or is proposed to be made or which has a direct pecuniary interest in the other matter under consideration;

or
